Prayers for the Church

Prayer is communication with Supernatural Expectations.

This week's key passage. **Revelation 2 & 3**

Common themes in the messages to the churches!

1. Praying we understand that Jesus knows our works. *"I know thy works"*
 - "Father, we know that You are totally aware of our works as a church. Nothing that we do is hidden from You. You know the things that we do that are right. You know the areas where we fall short of doing Your will in Your way. Help us to work, understanding that You know our works."
Revelation 2:2
2. Praying that we hear what You are saying to our Church. *"He that hath an ear let him hear"*
 - "Lord we recognize that You have a specific message for the Church. May we listen attentively to Your message through Your Word and through the Holy Spirit and be ready to act on what You have to say to us. May we hear both Your words of direction and Your message of correction and be moved by them." **Revelation 2:7**
3. Praying we respond to the message You deliver to us.
 - "Jesus, as You speak to the Church, we understand that You intend for us to respond to what You are saying. May Your message both encourage us when we are following You as we should and bring about change in Your Church when we are not doing right. We desire to be the Church You have called us to be."
Revelation 2 & 3 various
4. Praying we will be overcomers. *"To him that overcometh"*
 - "Heavenly Father, we intend to be what You have called us to be. From this day forward we ask that You help us to be the Church that overcomes. In the past we have been prone to be overlookers, allowing things that we should not have allowed. At times we have yielded ground and become overcome by evil, but You desire for us to overcome the world and evil. You have given promises to those who are overcomers and by Your power we will overcome!" **Revelation 2:11**
